

The AI Employee You'll *Never Want to Fire*

Not a chatbot. Not software. A dedicated AI employee built for your business — remembers everything, works 24/7, and gets smarter every day. No IT setup. No learning curve. Just hire it, and get to work.

WHAT YOU GET

Google Workspace

Reads email, manages calendar, organizes Drive, creates Sheets and Docs — on command.

Document Expert

Creates invoices, reports, proposals, spreadsheets, and PDFs — instantly.

Website & App Builder

Builds full websites and tools. No coding. No agency. Just describe what you need.

Web Research & Leads

Browses the web, researches competitors, finds leads, monitors market trends.

Creative Tools

Generates images, writes ads, creates slide decks and social media content.

Communication

Works on Telegram, WhatsApp, Discord, Slack. Chat naturally — wherever you are.

HOW IT WORKS

- 1 Tell us about your work**
Quick onboarding, learn your business
- 2 Meet your AI Employee**
Provisioned in 24 hours, fully ready
- 3 Just work together**
Chat naturally, delegate tasks daily
